REPORT

Report on National Education Day 2024: Theme – “Inclusive, High-Quality Education”

National Education Day 2024 was observed on November 11th to commemorate the birth anniversary of Maulana Abul Kalam Azad, India's first Minister of Education. This day serves to highlight the importance of education and honors Azad's immense contributions to shaping the Indian education system. Educational institutions across the country organized various events, seminars, and activities to emphasize the significance of literacy and education in nation-building.

The theme for National Education Day 2024 was "Inclusive, High-Quality Education." This theme underscored the importance of providing equitable and quality education to all students, irrespective of their background. It reflected the government's commitment to improving educational standards and ensuring accessibility for all. Special programs were conducted nationwide to promote digital literacy, skill development, and

inclusive education, ensuring that students from diverse communities could benefit equally.

The Ministry of Education also launched several initiatives to enhance the quality of education and foster innovation among students. Notable programs included the introduction of advanced digital learning tools, teacher training workshops, and scholarships for underprivileged students. Prominent educators, policymakers, and students engaged in discussions and debates on pressing challenges in the education sector, such as the digital divide, gender disparity, and the need for updated curricula. Overall, National Education Day 2024 served as a platform to reaffirm the nation's dedication to providing inclusive and high-quality education, inspired by Maulana Abul Kalam Azad's vision.

On November 11th, 2024, SCIM Government College (A), Tanuku, celebrated National Education Day in the college seminar hall. The program was inaugurated by Sri R. K. Phanidhar, the in-charge Principal of the college. Dr. T. Sandhya Rani, Lecturer in English, delivered a message highlighting the importance of National Education Day, while Smt. D. Kanaka Mahalakshmi, Head of the Department of Telugu, gave a brief yet inspiring speech on the occasion. The event concluded with a vote of thanks delivered by Dr. I. V. Narayana, Lecturer in Commerce.

A major highlight of the celebrations was an online quiz competition organized by SCIM Government College (A), Tanuku, to engage students and educators nationwide. The quiz, based on the life of Maulana Azad, the history of Indian education, and the principles of inclusive learning, witnessed enthusiastic participation. Participants appreciated the platform for its interactive and educational experience and were awarded certificates in recognition of their involvement.

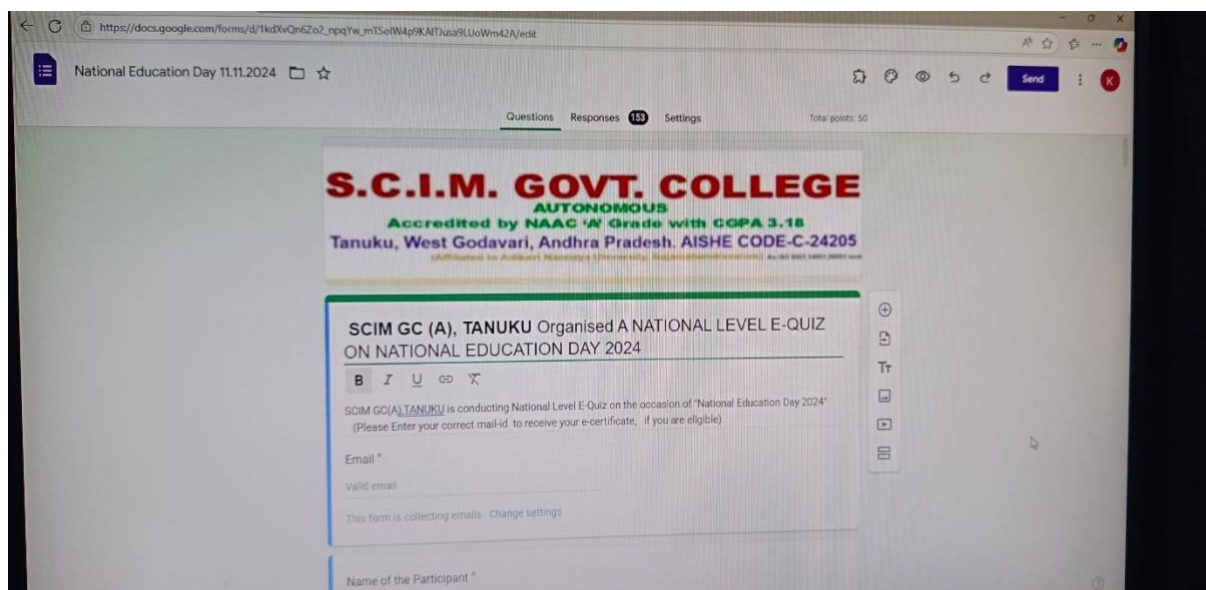

The celebrations successfully reinforced the significance of education in fostering national progress and honored Maulana Azad's enduring legacy in the field of education.
