## Vision and Mission

### VISION:

To transform the College into a Multi-faculty Model College offering courses with curriculum incorporated with multiple skills with practical training at affordable cost to the downtrodden sections of the societies from rural areas, bringing out their hidden talents and making them globally preferred.

### MISSION:

Quality enhancement of Higher Education being the primary goal of all the Government Degree Colleges, the institution aims at expanding its awareness through academic and social activities by taking conception, planning, evaluation, and promotion and sustenance initiatives to secure better employability. Their pre-occupation with the latest methodology and community-oriented training programmes with a special focus on reducing the Urban-rural divide and inculcating core values of life among the youth, would enable them to meet the requirements of the contemporary society departing from the traditional path of approach in the teaching learning activity.
