Circular

Dt.16.04.2020

All the departmental heads are requested to go through the Cr.No.1:CCE- BharatPadhe Online/AC-12, Dated 14.04.2020 which was already sent through SCIM GDC ACADEMICS today i.e., on 15-04-2020 and instruct the subject teachers to prepare the online lessons and share them with the students through the digital initiatives provided in the circular. All the class teachers are also requested to monitor the online class work. And above all, all the teachers are requested to send the lessons they have shared with the students in PDF files to the college mail. After going through them, the feedback will be submitted to CCE by the Principal daily before 6.00 p.m. Any negligence in this matter will automatically come to the notice of the Commissioner of Collegiate Education. No excuse will be entertained in this regard. Please be careful.

PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION
ANDHRA PRADESH, VIJAYAWADA

Present: Dr.Pola Bhaskar, IAS

Proc.Rc.No.02/CCE/2021

Date: 16.06.2021

Sub: Collegiate Education: Certain Teaching and Learning Processes in Government Degree
Colleges in the context of 2nd Wave of Covid-19 pandemic- certain Instructions Issued-Reg

Ref. 1) G.O Rt No.153 HE Dept dated 30.10.2020

2) Circulars issued by different Universities periodically

3) CCE proceedings RC.No.65/CCE/SOP/2020-21, Dated 9.06.2021

Government Degree Colleges are expected to implement blended learning system integrating conventional and online mode of teaching-learning process. In this context Principals should introduce evaluation system using online & offline methods (both Synchronous & Asynchronous). The new challenges due to the prevailing Covid-19 pandemic can be better faced through global learning systems. Therefore the principals are expected to develop workable models to continue the academic process without compromising quality and standards. Extra efforts are needed to ensure smooth functioning and to engage students, teachers and other staff to perform their duties and responsibilities effectively.

In the context of 2nd Wave of Covid-19 pandemic, all the Principals have been instructed to ensure faculty wise time tables and conduct of online class work. In this regard circular instructions were issued by different Universities, but detailed procedure to be followed by the GDCs/ADCs has not been specified. It has been observed that the GDCs remain closed and faculty members are conducting online class work from home only. Therefore, it has been made to appear that there is no proper monitoring with regard to faculty wise time table scheduled, Whether online classes are conducted and students are registered as percentage of attendance of the students is very poor.

Under the above circumstances, it is very much required that, the Principal and Lecturers should attend the colleges and thereby Lecturers should conduct online class work as per time table scheduled and the Principals concerned can oversee the performance duly following the

generic preventive measures which include physical distancing, mandatory use of face covers/masks, frequent hand washing, observance of respiratory etiquettes and prohibition of spitting and complete sanitization of the campus.

In this regard, the following instructions are issued for strict compliance.

- (1) The Principal and Faculty members should attend the colleges during permitted hours of curfew.
- (2) All Faculty members should conduct online class work as per the time table scheduled without fail.
- (3) The Principal should oversee the programmes of online class work and the attendance of students on daily basis.
- (4) Faculty members who were tested Covid positive/ traced as primary or secondary contact of a positive case/ found symptomatic / staying in containment zone as declared by the competent authority are exempted from attending the college during the period of isolation/quarantine.
- (5) If the college is fallen in the containment zone, Faculty members can conduct online class work from home until it is de-notified by the authorities.
- (6) Assignments/Quizzes etc are to be administered through Goggle classrooms mails/email/Moodle etc for the students
- (7) Students online attendance shall be maintained and recorded to satisfy required working days.
- (8) The laboratory online class work also shall be covered giving due weightage
- (9) All the Principals should ensure that the attendance particulars are sent to the concerned Universities every week.
