Sir,

Lr.No.21/O.P-IV/SCIM/GDC-Tanuku/2024 Dt.28/06/2024

Sub : Collegiate Education - SCIM GDC, Tanuku, West Godavari District –sharing campus with Endowments Department - Existing old and dilapidated building – Permission for demolishing it and to construct New building in the same place - Issue of No-objection Certificate– Reg.

Ref : 1. Letter from Principal S.C.I.M Govt College (A), Tanuku dated 24.06.2024

2.Letter from the Deputy Executive Engineer, APEWIDC Department, Eluru regarding not suitable for usage and immediately vacating the old building dated : 22.05.2018.

3. G.O Ms.No.61 SE Dept dated 16.09.2021 on dismantling of school/college buildings in dilapidated conditions

I am to inform that, the SCIM Govt College, Tanuku was established in the year 1968, and from the year of establishment, the college is running in the site of Endowments. Initially a “U” shaped building was constructed for carrying out the academic and administrative purposes. It consists of around 15 classrooms. This building is of around 50 years old and in dilapidated condition and the APWEDI has given approval for demolition of this dilapidated building in May 2018 itself and since then it is further posing threat to students. Since then, due to non-availability of funds the demolition work is not undertaken. Fortunately, Prof.K.V.Rao, from Ohio University, alumnus of this college and

NRI has come forward to construct a New Block from his trust in the same place.

Hence, It is to request the department to give consent for demolishing the existing old dilapidated Block and issue a No-objection certificate for construction of New building in the same place for the benefit of student community as it is a Govt College and stakeholders are mostly from marginalised and weaker sections of the society to pursue higher education.

Early orders are solicited in the matter.

Yours sincerely,

Dr Pola Bhaskar I A S

Commissioner of Collegiate Education.
