

**PROCEEDINGS OF THE COMMISSIONER OF COLLEGIATE EDUCATION
AP::VIJAYAWADA**

Present: Sri Pola Bhaskar, IAS

Rc.No.5/CCE-Acad.Cell-CSP/AC-6/2022

Date: 03-08-2022.

Sub: Collegiate Education – Community Service Project (CSP) –Guidelines for identifying the Best CSPs at College, District, Regional and State level – Communication - Reg.

Ref: 1. Proceedings of the CCE vide Rc.No.3/CCE-Acad.Cell-Policies/AC-6/2022 Dt: 10-05-2022.
2. Proceedings of the CCE vide Rc.No.3/CCE-Acad.Cell-Policies/AC-6/2022 Dated 22-06-2022.
3. Proceedings of the CCE vide Rc.No.4/CCE-Acad.Cell-Policies/AC-6/2022 Dated 07-07-2022.

Community Service Project (CSP) is being implemented successfully in all the Govt Degree Colleges for the first year and second year students in a laudable way as per the Standard Operating Procedures (SOP) and Additional Guidelines issued vided proceedings cited in the reference above.

In order to encourage the students and mentors (faculty), the Commissioner, Collegiate Educations desires to institute state level Best Community Service Project awards for B.A, B.Com (GEN), B.Com (CA), B.Sc in Mathematical and Biological Sciences Streams (one award for Each Stream). In this regard, the Best Projects on Community Service have to be identified/selected at College Level, District Level, and Zonal Level for the final level selection at the state level.

In this connection, subject wise experts are identified for the preparation of guidelines and criteria for the selection of Best Project in their respective subjects and a virtual meeting was held on 19-07-2022 at 3.30pm for discussion and finalization of guidelines and criteria. As per the suggestions given by the subject experts, the following guidelines are framed for the selection of best Community Service Project.

Selection of Best CSP at College Level:

Each College has to identify one best Community Service Project from each B.A, B.Com (GEN), B.Com (CA), B.Sc in Mathematical and Biological Sciences Streams (total 5 Best CSPs from each College). **Plagiarism free Community**

Service Projects with Innovative ideas and Quality shall be considered for selection of the best CSP at College level based on the following 100 point criteria:

1. Purpose and planning of the Project:	15 points
2. Uniqueness of the project:	15 points
3. Social relevance of the Project:	20 points
4. Understanding level of the student on the project:	20 points
5. Presentation of the Project:	20 points
6. Outcome of the Project	<u>10 Points</u>
Total:	<u>100 Points</u>

At each College Level, Principal of the College has to form Stream wise committees to select five best CSPs from B.A, B.Com (GEN), B.Com (CA), B.Sc in Mathematical and Biological Sciences Streams (One from each Stream) for the **the batch of 2020-21 students only**. After selection of the best CSPs at college level, the Principal of the College shall submit the best CSPs to the ID College of their respective District.

Selection of Best CSP at District Level:

ID Colleges on receiving the stream wise nomination for Best CSP from the Principals of the GDCs in the district concerned, District Level Committees (one for each Stream) with Subject Experts shall be formed to scrutinize the nominations and select one Best CSP from Each stream based on the above mentioned criteria. The ID college Principal has to submit the five best CSPs (One from each Stream) to the Regional Joint Director of the respective zone.

Selection of Best CSP at Regional/Zonal Level:

On receiving the nominations for the best CSP from the District ID Colleges, the RJDCEs shall constitute a committee at Zonal level for identifying the Five best CSPs from B.A, B.Com (GEN), B.Com (CA), B.Sc in Mathematical and Biological Sciences Streams (One from each Stream) based on the above mentioned criteria. After Selection of the stream wise best CSPs at Regional/ Zonal Level, The RJDCE has to submit the five best CSPs (One from each Stream) to the Commissionerate of Collegiate Education for the final selection

Selection of Best CSP at State Level:

On receiving 15 nominations (5 from each Region/Zone) for the Best CSPs from the RJDCEs, State Level Committee shall scrutinize the nominations and select 5 best CSPs (One from each Stream). For this purpose the State Level Committee shall consists of the following members:

1. Commissioner of Collegiate Education - Chairman
2. JD/ RJDCE/AGO - Member
3. Principals/ Subject Experts (5)- members
4. Academic Officers - 2 members

The 15 students whose CSPs are nominated by the RJDCEs for the state level best CSP awards shall attend before the State Level Selection Committee (online/ offline) and present their topic and its relevance, Project methodology, project outcomes (benefit to society, institution, Student) etc.,. Basing on the presentation and the project report the 5 best CSPs (One from each Stream) will be selected for state level best CSP awards.

Timelines and Important dates:

S.No	Activity	Date
1	Date of Notification	12.08.2022
2	Last date for Selection of Best CSPs at College Level	18.08.2022
3	Last date for submission of nominations to ID College	22.08.2022
4	Last date for submission of nominations to RJDCEs	25.08.2022
5	Last date for submission of the proposals of teachers duly recommended by the RJDCEs to the Commissionerate of Collegiate Education	29.08.2022
6	Meeting of the State Level Selection Committee at CCE	01.09.2022

(Orders of the CCE obtained in the note file)

For Commissioner of Collegiate Education

To
The Principals of all Govt Degree Colleges
Identified College Principals
RJDCEs of Rajahmundry, Guntur and Kadapa.

**Proceedings of the Commissioner, Collegiate Education
Andhra Pradesh :: Vijayawada**

Present : Dr. Pola Bhaskar, IAS

Rc.No. 003/Academic Cell/AC-10/2022

Date : 6-4-22

Sub: Collegiate Education –Implementation of Continuous Internal Assessment (CIA) - Standard Operating Procedure (SOP) to be followed by all colleges – Reg

Ref:1. Outcome of the workshop held on Implementation of Continuous Internal Assessment (CIA) and Evaluation in Government Degree Colleges at SRR&CVR Government College (A), Vijayawada on 30.12.2021

In general sense both Assessment and Evaluation are considered synonymous. But actually, both have different meanings. **Assessment is the feedback from student to teacher and Evaluation is feedback from teacher to student.** It involves the use of empirical data on student learning to refine programs and improve student learning. It's a judgment on student's performance, which includes both tangible and intangible aspects. Assessment is the use of empirical data on student learning to refine programs and improve teaching and student learning. As learning styles differs from student to student, the teacher needs to be more cautious while assessing the students.

Need for the Assessment:

Continuous Assessment is a critical step in the learning process. It determines whether learning objectives of the course/programme have been met. A learning objective is the expectation about what students should know or be able to do by the time a lesson is completed. Assessment affects many facets of education, including student grades, placement, and advancement as well as curriculum, instructional needs, and funding. The following points highlight the significance of assessment in the learning process.

- Capturing student's time and attention
- Generating appropriate student learning activity
- Providing timely feedback which students pay attention to
- Helping students to internalize the disciplines standards and notion of equality.
- Generating marks or grades which distinguish between students or enable pass/fail decisions to be made.
- Providing evidence for others outside the course to enable to judge the appropriateness of standards of the course.

Types of Assessment:

In the past only observation by the teacher was the main mode of assessment. In the process of development of the system and skills, there occurred various types of assessment. Broadly they can be classified as 'Formative Assessment' and 'Summative Assessment'.

Formative Assessment:

Formative assessment is continuous and is conducted during the teaching-learning process using a variety of tools and strategies. The purpose of formative assessment is to monitor student learning and provide feedback during the teaching learning process. Here, the main role will be played by a teacher or a group of people through various transparent methods. The responsibility of evaluating the internal assessment is vested on the teacher/s who teach/es the course. Assessment will be conducted through the following strategies:

- Observation during class
- Tasks set for home learning
- Projects/presentations
- Open-ended tasks
- Performance tasks

The subject teacher prepares these assessments. Furthermore, it is continuous and does not replace exams. It is a suitable evaluation technique and tool. Also, they carry a fixed portion of marks for the assessment. Most noteworthy, it gives feedback to teachers so that they can improve their teaching. On the other hand, it gives students a chance to improve their external assessment grade by seeing internal assessment results. So, that student can improve their learning. For this, the internal grade awarded to the students in each course in a semester shall be published on the notice board at least one week before the commencement of end semester examination.

Summative Assessment:

The goal of **summative assessment is to evaluate student learning at the end of an instructional unit** by comparing it against some standard or benchmark. There will be University Examinations at the end of each semester for both Theory and Practical sessions. Semester End Examinations for all theory papers shall be got set/prepared by the Controller of Examinations as per existing norms and evaluation of all theory papers shall be set/prepared by the Controller of Examinations as per existing norms.

Existing system of Assessment in Govt. Degree Colleges: In the light of above discussion, it is observed that the summative assessment in Govt. Degree Colleges in Andhra Pradesh is found in Semester-end for 75/100 marks for each course. But in the case of formative assessment, it has been found that there are a number of differences/deviations in

autonomous and non-autonomous colleges due to differences from University to University in awarding Internal marks to the students. The following tables show the existing system of awarding internal marks in colleges under various university jurisdiction.

INTERNAL ASSESSMENT IN NON-AUTONOMOUS COLLEGES

S No	Zone	District	Affiliated University	Mid Exam / CIA / CIE Marks	Online Exam if Any	Assignments Marks	Seminar / Quiz/ Field Trips / Group Discussion / Survey	Attendance	Project / Objective Test	Viva	Total
1	I	Srikakulam	Dr BRAU	10	--	5	5	5	--	--	25
2	I	Vijanagarm and Visakhapatnam	AU	15	--	5	5	--	--	--	25
3	II	East Godavari and Westt Godavari	AKNU	15	--	5	5	--	--	--	25
4	II	Krishna	KU	10	--	5	5	5	--	--	25
5	III	Guntur and Prakasam	ANU	15	--	5	--	5	--	--	25
6	III	Nellore	VSU	15	--	5	5	--	--	--	25
7	IV	Chittoor	SVU	25	--	--	--	--	--	--	25
8	IV	Kadapa	YVU	10	--	5	5	5	--	--	25
9	IV	Kurnool	RU	20	--	--	10	--	--	--	30
10	IV	Ananthapuram	SKU	15	--	5	5	--	--	--	25

- It is observed that, the CIA Pattern is followed in all Autonomous and Non- Autonomous Government Degree Colleges which are affiliated to 11 Universities in the State with the pass mark being 8 out of 25 and 27 out of 75.
- In autonomous colleges, the internal marks are being awarded in the range of 30 to 50 marks.
- In case of non-autonomous colleges it is differed from University to University, however, most of the Universities have opted for 75+25 External and Internal system respectively.
- In 09 State Universities, the colleges are following 75+25 pattern and 02 Cluster Universities adopted 70+30 pattern. But, the procedure of awarding internal marks differs from University to University and College to College, with huge deviations in awarding criteria without any commonality.

INTERNAL ASSESSMENT IN AUTONOMOUS COLLEGES

S No	Zone	District	Name of the GDC	Mid Exam / CIA / CIE Marks	Online Exam if Any	Assignments Marks	Seminar / Quiz/ Field Trips / Group Discussion / Survey	Attendance	Project / Objective Test	Viva	Total

16	IV	Kurnool	SJGDC, Kurnool	20	--	5	5	--	5	5	40

In order to understand different criteria adopted by different Colleges, a One day workshop was conducted with RJDCEs, Principals (39 in number) and Subject Experts (40 in number) to invite ideas from the Principals and Subject experts with an aim to formulate uniformity in the assessment procedures in all the Government Degree Colleges in the State of Andhra Pradesh.

The Commissioner, Collegiate Education invited the Principals and Subject Experts to present their existing awarding criteria in the workshop and after the submission of Principals and Subject Experts, the CCE made the following remarks by suggesting a common pattern of Internal and External exams that needed to be followed in both Autonomous and non-Autonomous colleges in the State of AP in a uniform manner. The following Standard Operating Procedure (SOP) for Continuous Internal Assessment is prescribed.

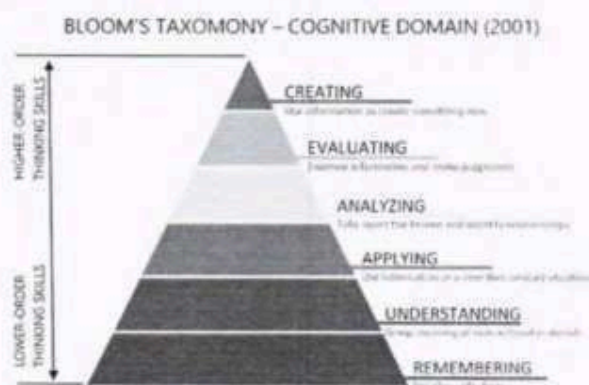

SOP ON CONTINUOUS INTERNAL ASSESSMENT AND EVALUATION

1. The following citations should be kept in view by all the faculty members with regard to Teaching, Learning and Evaluation.

“When learning and teaching continuously improves everything improves. Quality is never an accident. It is always the result of intelligent effort. Ignorance is bliss until it hits you on the face. The real education is the one that will set you free”
---- Nelson Mandela

“The correct analogy for the mind is not vessel that needs filling; but wood that needs igniting”.
----- Plutarch

2. While measuring the qualitative aspect of higher education, it is essential for everyone involved in the assessment process to understand the concepts clearly. Unless the correct interpretations and benchmarking are understood by everyone, there will be ambiguity in judgments.
3. In a changing context, the needs and aspirations of the students have to be met through the curriculum and curricular transactions to enable them to play an effective role in the employment sectors. The thrust of the education is shifting to employability based on the changing philosophy from idealism to pragmatism.
4. One of the key insights into the knowledge issue is that what you know is less important than how you know it and how you apply it. It boils down to the difference between two types of thinking. Low level concrete thinking, concerns simple observations, facts and figures and is the foundation of the next level of thinking-high level abstract thinking – concerns and relationships. Both kinds of thinking are necessary.
5. Examination reforms has been a prominent theme in the deliberations in connection with higher educationalists apparently had little impact; examinations are universally associated with anxiety and stress both for students and others. There are various malpractices that reduce the dependability and credibility of the examination system.
6. The academic quality of actual examination has long been a major complaint. The methodology in the system is the root cause that needs to be tackled on priority basis. The sizable weight for internal assessment is a major step. The main problem is the incomplete development and articulation of relevant and systematic schemes for internal assessment designed to suit the needs of different subjects and levels of the students.
7. In this regard, faculty members have not been offered sufficient support through clearly spells out SOPs specific to their subjects and effective orientation through manuals or workshops. The absence of clarity is leading students to perceive internal assessment lacking objectivity and transparency.
8. Benjamin Bloom, an educational Psychologist devised a pyramid model that represents different ways of learning which is known as “Blooms Taxonomy” and is described below:

A learner is expected to progress from the lowest level of the pyramid to the highest i.e. from the Lower Order Thinking Skills (LOTS) to the Higher Order Thinking Skills (HOTS)

9. There is every need for a change in focus in the internal assessment from question patterns that require simple memory recall to a judicious mix of questions which assess,
 - ✓ Knowledge acquired
 - ✓ Standard application of knowledge
 - ✓ Application of knowledge in new situations
 - ✓ Critical evaluation of knowledge
 - ✓ Ability to synthesize knowledge drawn from different sources
10. Therefore, the internal assessment should be aimed towards ensuring the descriptions of the abilities and other qualities a course seeks to develop in students. In other words, from inert product to processes and capacities that point to continued learning.
11. The major principle for improving the quality of internal assessment is that a variety of means of assessment should be used to match many dimensions of learning objectives. The use of many such devices is possible only in the college setting of internal assessment handled directly by the individual faculty member.
12. Under the above circumstances, the CIA has been divided into four categories of inventory tasks and activities as detailed below:

S.No	Type of Assessment	Weightage Assigned
(i)	Assignments	5
(ii)	Project-Work/Seminar/Group Discussion/Role play/Quizzes/Presentations	5
(iii)	Cleaning, Greening and Attendance	5
(iv)	Testing of knowledge through Mid-term examinations (Mid -1 + Mid -2)	20 + 15
	TOTAL	50

13. **Assignments:** A writing assignment encompasses any writing task a teacher asks of students that involves more and more thought processes including analysis, evaluation, interpretation, narration, syntheses, reflection, clarification summarization, creative expression and application or demonstration of knowledge or learning. Every faculty member should determine the purpose of the assignment and the levels of students and accordingly assignments should be given. There should be

at least one assignment for each unit/module as and when the syllabus (unit/module) is completed. The weightage of marks, assigned for the assignments should be awarded after completion of all the assignments in respect of all the units/modules and it should be finished before conduct of II Mid examination.

- 14. In class activities:** laboratory/manipulative skill which include as described below for different subjects should be organized by every faculty member in respect of the subjects being taught by him/her

Sl. No	Subject	Suggested Activity/Activities for CIA
1	Chemistry Physics Mathematics Electronics	Peer teaching, Student seminars, quiz, worksheets on subjects, KWL (Know, Want-to-know, and Learned) Group work, Work sheets on subject, Industrial visit, Individual and Group Projects
2	Zoology, Botany, Geology, Geography, Computer Science	Field visit, Student projects, Student seminars, peer teaching, filling gaps, Matching, quiz, worksheets on subjects, KWL, Hydroponic gardening, live projects, Vermi compost Preparation, growing Nursery plants, Aquarium maintenance, Fish farming
3	Micro Biology, Bio chemistry, Food & Nutrition, Home Science, Horticulture, Agriculture, Aquaculture, Home Science	Industrial visit, Lab visit, Student seminars, quiz, worksheets on subjects, KWL, Student projects, Hydroponic gardening, live projects, Vermi compost Preparation, growing Nursery plants, Aquarium maintenance, Fish farming, Mushroom Cultivation, Organic farming
4	Statistics, Economics, History, Archeology, Political Science, Public Administration	Socio economic survey, Group discussions, Student seminars, peer teaching, quiz, worksheets on subjects, KWL, Field visits, Mock Parliament, Web assignments
5	Languages	Comprehension paragraphs, Book review, Think-pair-share actions, Student seminars, peer teaching, filling gaps, quiz, worksheets on subjects, KWL, Group Discussion, LSRW activities
6	Commerce and Management	Industry visits and tours, group discussion, group projects, Student seminars, one-word answers, Multiple choice questions, peer teaching, filling gaps, Matching, quiz, worksheets on subjects, KWL, Socio economic surveys

- 15.** Students should be encouraged to participate in **Activities** like Clean & Green of the campus/in the community etc. Pucca record should be maintained showing the authenticity of the participation and accordingly marks should be awarded to each student. There should not be any malpractices in this regard. Attendance should also be taken into account for awarding total marks of 5. The award of marks for this should be completed before conduct of II Mid examinations.

16. **Testing of knowledge** subject-wise **Mid Examinations** is a very important outcome of learning, with a weightage to the extent of 70% of the total internal assessment.

17. Suggested to conduct **Mid I** Examination through three kinds of questions:

- Firstly, One out of Three Essay type questions carrying 5 marks should be given.
- Second, five out of seven short answer questions should be set carrying $5 \times 2 = 10$ marks with weightage and
- Third, ten objective type questions should be framed carrying $10 \times \frac{1}{2} = 5$ marks with weightage comprising multiple choice answers, fill in the blank questions, matching answers questions, comprehension etc.,
- The duration of examination is 1 Hour per paper for a total of 20 Marks.

18. **Mid II** examination is to be conducted after the completion of syllabus choosing two kinds of question, as explained above for a total of 15 Marks.

19. Two mid-term examinations as explained above should be conducted, I Mid after completion of 50 % syllabus and II Mid after completion of total Syllabus with 35 marks for Mid Exam (Mid -1 for 20 Marks and Mid-2 for 15 Marks).

For Assignment, Seminar/Quiz/Field trip/ Project work and Clean, Green and Attendance etc., for the three components, the marks to be allotted once in a semester before conduct of II Mid Examinations.

The marks obtained by a student for 50 marks (Total of two Mid exams for 35, Assignments 5, Classroom Activities 5, Clean, Green and Attendance 5) is to be scaled down to 25 and this should be treated as the CIA score of the student in that subject.

In case of Autonomous colleges whatever the weightage of internal assessment is fixed, it should be scaled down accordingly.

20. Blended mode of internal assessment should be followed. At least one-mid should be conducted through online and records of every student should be documented for reference.

21. All the staff members should maintain records/registers properly in the prescribed format. The details of the marks secured by the student subject-wise and component-wise should be uploaded by each faculty member in the **SEMS App (Students Evaluation Management System)** on real time basis without fail.

22. The Principals should see that, 04 types of records are to be maintained in the college which are to be submitted during inspection.

- (i) Student-wise and Semester-wise CIA Record is to be maintained by the concerned faculty member as per STUDENT EVALUATION REPORT (Proforma Enclosed)
- (ii) Subject-wise and Semester-wise CIA Record is to be maintained by the concerned In-charge of the department of all the students of the subject as per STUDENT EVALUATION REPORT prepared by concerned faculty
- (iii) Program-wise and Semester-wise consolidated CIA Records of all students of the college are to be maintained by the Principal of the College/Examination i/c. Similar Registers are to be maintained for Life Skills, Skill Development Courses etc., as per STUDENT EVALUATION REPORT (CONSOLIDATED) (Proforma Enclosed)
- (iv) Semester wise PROGRESS REPORT generated through SEMS (Students Evaluation Management System) App

AP::VIJAYAWADA**

Present: Sri Pola Bhaskar, IAS

Rc.No. /CCE-Acad.Cell-Policies/AC-15/2022

Date: 23-08-2022.

Sub: Revised Choice Based Credit System- 3/4year Conventional Degree Programmes –Mandatory Internship/Apprenticeship/On the Job Training –Certain instructions issued- reg.

Ref: 1. G.O MS.No.9, Higher Education (EC) Dept. dt:11/03/2022.

2. Guidelines for Internships, issued by APSCHE.

3. APSCHE-Revision of syllabus under CBCS with effect from 2020-21- Guidelines -Corrigendum issued vide LT.No.APSCHE /AC/CBCS- 2019-20/Review 122 DL 25.03.2022.

4. Procds of the CCE vide Rc.No. 01/CCE-Acad.Cell-Policies/AC- 04/2022 Dated 23-08-2022.

In continuation of the earlier instructions issued vide reference 4th cited, the following further guidelines are issued with regard to the 3rd and final mandatory internships /Apprenticeship / On the Job Training in 5th or 6th semester for 6 monthsto ensure that the students develop hands on technical skills.

1. It is very difficult to find the required number of industries for the internship at a time for all the students pursuing different degree programmes in Government Degree Colleges. Therefore, it is necessary to split the students into two phases for undergoing the internships.
2. Accordingly, the Principals are instructed that the students pursuing Arts & Commerce programmes shall undergo Apprenticeship/Internship/On-job training (OJT) in the V semester and the remaining students in respective Science programmes shall undergo in the VI semester.
3. In this regard, the principals of all Government Degree Colleges should list out suitable private industries and Government offices/undertakings depending upon the programme combination and shall take a Memorandum of Understanding (MoU) with them as a formality.
4. The Principal and the Lecturers should explore all the possibilities to identify Government / Private Establishments for accommodating all the students to undergo Internship/Internship/On-job training (OJT) as per the norms prescribed in G.O.Ms. No. 9 dated 11/03/2022.

5. Some sectors where colleges may find Internship/Internship/On-job training (OJT) include Hospitality, Social Service, Healthcare, Government Offices, Marketing agencies, IT Companies, etc.
6. Students should be divided into groups comprising of 15 - 20 students and these groups should be tagged to the lecturers who are made responsible to act as a mentor during the process of undergoing Internship/ Apprenticeship /On-job training (OJT).
7. The lecturer should monitor the process of Internship/ Apprenticeship/On-job training (OJT) duly maintaining liaison with all the concerned industries tied up.
8. The Lecturer should also visit each industry tied up for Internship/ Apprenticeship/On-job training (OJT) at least once in a fortnight and get feedback from the concerned supervisors of the industry during the Internship/ Apprenticeship /On-job training (OJT) and take corrective measures.
9. In case, any industry is not in a position to continue with the Internship/ Apprenticeship/On-job training (OJT) for valid reasons of their own the Principal and Lecturer (Mentor) concerned should replace another industry to continue the Internship/ Apprenticeship/On-job training (OJT) of the concerned students.
10. The Principals and Lecturers should ensure that the 2nd Internship of 8 weeks scheduled after the 4th semester and the 3rd Internship of 6 months, Internship scheduled during the 5/6th semester can be done in the same industry.
11. The assessment procedures prescribed by APSCHE / CCE for these Internship/Apprenticeship/ On-job training (OJT) should be followed without any deviation.

INTRODUCTION

Community service project (CSP)

I do the survey on plantation, I observed tht some diseased plants Like Hibiscus rosa sinensis, Tagetes plants

I gave awareness about those above disesased plants and how to select a healthy seeds and also I told a good plantation suggestions

To conduct the community service project I have selected the following areas
Tadepalligudem, 9th ward Murali Peta

Objective-

Community Service Project shall be an integral part of the curriculum, as an alternative to

the two months of Summer Internships, whenever there is an exigency when students cannot pursue their summer internships.

The specific Objectives are, To sensitize the students to the living conditions of The people who are around them, To help students to realize the stark realities of the society

To bring about an attitudinal change in the students And help them to develop societal consciousness Sensibility, responsibility and accountability make students aware of their inner strength and help To them to find new/out of box solutions to the social problems.

To make students socially responsible citizens who are sensitive to the needs of the disadvantaged Sections. To help students to initiate developmental activities in the community in coordination with public and government authorities

To develop a holistic life perspective among the students by making them study culture, traditions, habits, lifestyles, resource utilization, wastages and its management, social problems, public administration system and the roles and responsibilities of different persons across different Social systems.

TITLE OF THE PROJECT

PLANTATION

Health Benefits of Houseplants

Allergy Relief

Researchers found that rooms with plants have less dust and mold than rooms without any foliage. Leaves and other parts of the plants act as natural filters to catch allergens and other airborne particles. Common low-light houseplants like Chinese evergreen or the peace lily can do the job. Violets and other plants with textured leaves might be even better trappers. Avoid plants with pollen or spores.

Herbs for Better Digestion.

Mint may help tamp down bloating, gas, and other problems after you eat. Common varieties you can grow in containers include peppermint and spearmint (essential in mint juleps). Basil, another herb for cooking, also can help calm your stomach. Try steeping the leaves in hot water.

Group Discussion

109

At: 08/12/2024

A Group Discussion was held for the IBA ^{SLDSC} Students on the topic, "Pros and Cons of Tech", on 08/12/2024. They said that Tech was beneficial and gained each of us a lot, but lost many things, including or even the relationship between the Couple. It's impact led to harming people in many ways and left the younger generation addicted.

Finally they gained Certain Communication skills, leadership and all other required skills for a Candidate who can face the interview shortly.

Signatures of the students : IBA 29/IBK-34

PPT . Presentation - ①

93

31-10-2023

As planned earlier, the Department of English PPT was presented by the I Bcom & I Bse Students on the topic "Modern Tech versus Language Teaching". They said that Tech was Compulsory even to the language teaching, especially Covid-19 onwards. Modern Tech has enhanced the skill of learning - online and knowing the International digital resources even. Thus it facilitated the students spend a lot on it and time saving. They learned somehow the techs and its impact -

Dialogue Building

91

17/10/23

18/10/23

A "Dialogue Building" Show was held on 17/10/23 & 18/10/23 by the II B students as it was prescribed for them in the III Sem. They were given certain day-to-day topics like "Two friends meeting at an exhibition". They built the dialogue spontaneously as it was a task and Skill of Speech to be developed. They were shown how presented well as their own.

Report on Science Day-28-02-2024

Department Minutes-Resolution Copy

Agenda 1: Department wise planning copy for science day celebrations

Resolution : All departments should submit planning copy and should co-ordinate with other departments to organize science day in the college.

Agenda 2 : Decide number of days to organise science day activities.

Resolution : Three days are decided i.e from 26-02-24 to 29-02-2024.

Agenda 3: Activities to be conducted during three days of science day celebrations.

Resolution : Elocution competition, quiz competition, project expo and open day

Agenda 4: Decide chief guest of the program.

Resolution : ISRO scientist is invited for the science day program.

Intimation to Principal

To

The Principal,

SCIM GDC, Tanuku.

Sir,

Subject: Request for permission to celebrate science day-Reg

It is bring to your kind notice that all the department of SCIM GDC, Tanuku planned to organize science day celebrations in the college from 26-02-24 to 28-02-24. In this regard we request your permission to celebrate the events.

Thank you

Yours sincerely,

All Departments

CIRCULAR

It is inform to all teaching, non-teaching staff and students that science day celebrations will be organized from 26-02-2024 to 28-02-2024 from 10-00 a.m to 5.00 p.m in the college campus. All students must participate in the celebrations and give your names in the departments for various competitions.

Summary of the program:

All the programs are designed by following the theme of National Science Day. Students got the opportunity to explore their talents in making many working models. Students participated in many activities, quiz, and elocution and project expo. The chief guest of the program, ISRO scientist Dr. R.Murthy spoke the importance of science in daily life. He motivated all students to become a part of many scientific projects conducted by nation. The college principal, Dr. Anil Kumar also inspired students that they should work hard to become a scientist in future.

Summary of the program:

All the programs are designed by following the theme of National Science Day. Students got the opportunity to explore their talents in making many working models. Students participated in many activities, quiz, and elocution and project expo. The chief guest of the program, ISRO scientist Dr. R.Murthy spoke the importance of science in daily life. He motivated all students to become a part of many scientific projects conducted by nation. The college principal, Dr. Anil Kumar also inspired students that they should work hard to become a scientist in future.
