

AQAR 2023-24

5.3.2 - Institution facilitates students' representation and engagement in various administrative, cocurricular and extracurricular activities (student council/ students representation on various bodies as per established processes and norms)

SCIM Govt College: Where Students Drive Engagement and Unity

SCIM College boasts a vibrant student council, representing the student union and serving as the bridge between students and the administration.

Leaders Elected, Voices Amplified:

- Each class elects two representatives (one male, one female) with strong leadership qualities, ensuring diverse perspectives. These representatives form the council, actively participating in academic, administrative, and social activities.
- Engaged and Empowered: Council members play vital roles in over 30 committees, fostering transparency and student leadership. They support the smooth running of seminars, conferences, and workshops, contributing to campus vibrancy.
- They act as an efficient channel for communication between class teachers, the principal, and students.

Supporting Campus Events:

- The council actively assists in organizing diverse events like blood donation camps, rallies, job drives, youth festivals, remedial classes, and special classes.
- They ensure smooth execution, fostering a collaborative and engaging environment.

Beyond the Classroom:

- Recognizing the value of student participation, the college ensures council members participate in administrative, curricular, co-curricular, extra-curricular, and extension committees.
- This inclusive approach empowers students, amplifies their voices, and facilitates holistic learning beyond academics.

SCIM College's student council is more than just a representative body; it's a driving force for engagement, leadership, and a strong student community.
