

SCIM Govt College, Tanuku
IQAC ACTION PLAN FOR 2023-24

Date: 18th September 2023

Time: 10:30 AM

Venue: Principal Chamber

Minutes of the Meeting:

The IQAC committee met under the chairmanship of the Principal to design and adopt the action plan for quality enhancement initiatives for the academic year 2023-24. After detailed deliberations, the following resolutions were made:

1. To apply for autonomous status and obtain necessary certifications like ISO 9001:2015, ISO 14001:2015, and ISO 50001:2018 to strengthen the quality management systems
2. To establish Institution's Innovation Council (IIC) as per MoE guidelines and NPTEL Local Chapter to promote innovation and online learning
3. To obtain institutional membership in professional bodies like Computer Society of India
4. To strengthen industry linkages through MoUs with companies like for student internships
5. To organize awareness programs on Intellectual Property Rights (IPR) and encourage faculty to file patents
6. To promote research culture by supporting faculty in obtaining research grants like DST-SERB projects and other funding
7. To participate in quality assessment frameworks like NIRF-2024 and submit data for AISHE
8. To apply for the IIC Impact Lecture grant for promoting innovation activities
9. To continue existing quality initiatives while introducing new best practices for overall institutional development

Members Present:

1. Dr. P Anil Kumar - Chairman
2. Dr G Vijaya Kumar - IQAC Coordinator
3. Sri Ch Edukondalu
- 4 Sri R Kumara Phanidhar
- 4 Smt Maruthi Devi Chowdary
5. Sri R S M Bhoopal, Alumni Association Coordinator
- 6 Smt G Indira Kumari
- 7 Sri Rebba Ashok Kumar
- 8 Dr K Raveendra Babu

Internal Quality Assurance Cell (IQAC)

Action taken report for 2023-2024

Meeting No.1 on 30/8/2023

Minutes of the Meeting

The members of IQAC met in the principal chamber at 10:30 AM under the Chairmanship of the Dr . P Anil Kumar , Principal to discuss the following agenda and resolve certain matters in accordance with the IQAC action plan 2023-24

Agenda:

To discuss the analysis of the feedback and action taken regarding the feedback analysis.

Feedback from Students:

- Students emphasized the demand for a broader teaching pedagogy that meets global standards .They highlighted the need for discussion-based and well-paced teaching methods to improve their skills, creativity, and analytical thinking.
- Students requested more detailed engagement with topics and subjects. They emphasized the need for elaboration to improve understanding and competitiveness.
- Students expressed dissatisfaction with online instruction modes and logistical challenges .They requested acknowledgment and resolution of these issues, along with simplified timelines for better understanding in virtual settings.

Action Taken:

- These concerns were shared with the relevant authority for consideration and appropriate action .Measures such as effective evaluation methods, forming assignments, and projects to develop analytical skills have been implemented and made accessible to students.
- Suggestions from students and teachers during syllabus reviews and revisions were conveyed to Adikavi Nannaya University to address these concerns.
- Measures were implemented to make online classes more engaging .Notes and lecture recordings were made available to students .These steps were undertaken as discretionary practices, tailored to individual teacher preferences, with surveillance applied when required

Feedback from Teachers:

- Teachers suggested providing effective study material, both online and offline, to help students access resources easily and enhance their academic preparation.

- Teachers recommended organizing conferences and Faculty Development Programs to enhance their understanding, sense of achievement, and provide better clarifications.

Action taken :

- The institution has acknowledged this feedback and shared it with stakeholders for appropriate action. Important concepts from all courses have been digitalized and made available through various digital platforms. Library staff periodically updates students and faculty about new books, subscriptions, and e-resources, ensuring easy access.
- Validation and implementation of these steps were approved. FDPs, webinars, and workshops are organized to help faculty improve their skills and understanding. Teachers are encouraged to actively participate in these programs.

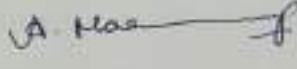

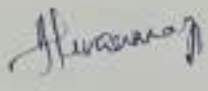

Feedback from Employer :

- Employers emphasized the need to empower students to become confident, hardworking, and ethical employees. They advised fostering a sense of governance and building strong foundational skills.

Action taken :

- The institution has adopted a well-rounded syllabus focusing on enriching students' academic knowledge. Diverse teaching methods, foundation courses, and guest lectures are incorporated to impart values, ethics, and soft skills.

Members Present:

1. Sri. G. Vijay Kumar 
2. Sri. Ch. Redukondalu 
3. Sri. Raghunath Reddy 
4. Smt. A. Maruthi Devi Chowdary 
5. Smt. A. Sandhya Rani
6. Smt. E. Jyothi Kiranmayi

Internal Quality Assurance Cell (IQAC)

Action taken report for 2023-2024

Meeting No.2 on 18/12/2023

Minutes of the Meeting

The members of IQAC met in the Principal Chamber at 10:30A.M under the Chairmanship of Dr .P. Anil Kumar, Principle to discuss the following agenda and resolve certain matters in accordance with the IQAC action plan 2023-24

Agenda:

To discuss on the analysis on the feedback and action taken regarding the feedback analysis

Feedback from Students:

- Students requested frequent career counselling sessions to gain better knowledge about their post-collegiate professional options and future workplace opportunities.
- Students have requested the encouragement to attend national seminars and conferences, as well as the opportunity to submit research papers.
- Students requested more field trips and project work, emphasizing the need for greater elaboration to improve their understanding and competitiveness.

Action Taken:

- The concerns were shared with the relevant authority, and steps were taken to organize counselling sessions, debates, and seminars for students.
- PG and UG students are encouraged to participate in seminars and conferences organized at the college level. Additionally, HODs have been instructed to send students to seminars and conferences held at nearby colleges for further participation.
- Suggestions to conduct more student-centric activities, such as field trips and project works etc

Feedback from Teachers:

- Teachers highlighted the need for on-duty leaves to attend conferences, FDPs, and workshops. They also emphasized the necessity for more research opportunities and improved infrastructure.
- HODs have been instructed to increase the use of ICT in teaching to 70% and develop a plan for its implementation

Action Taken:

- The institution addressed these concerns and shared them with the principal for further action. FDPs organized by the Commissionerate of Collegiate Education are granted on-duty leave. Faculty participating in national workshops or pursuing part-time Ph.Ds are also supported and encouraged.
- To make optimal use of the new infrastructure and equipment.

Feedback from Employer:

- Employers recommended training students to handle diverse workplace demands, including time and stress management skills.

Action taken:

- These concerns were communicated to the relevant authority, and steps were taken to implement appropriate action plans.

Feedback from Alumni:

- Alumni suggested that the college track their career paths and collaborate to organize sessions and workshops on vocational training.

Action taken:

- It was proposed that such collaborations be initiated to help current students benefit from alumni experiences and guidance.

REPORT

Title: Impact Lecture at S.C.I.M Govt. College, Tanuku by Sri. M. Ajith

Date: 04-05-2024

Venue: S.C.I.M Govt. College, Tanuku

Speaker: Sri. M. Ajith, Joint Controller of Patents and Designs, Indian Patent Office, Government of India, Ministry of Commerce and Industry, Chennai Branch

On the 4th of May, 2024, S.C.I.M Govt. College, Tanuku, was honored to host a remarkable impact lecture delivered by Sri. M. Ajith, the Joint Controller of Patents and Designs at the Indian Patent Office, Chennai Branch. The event was a part of the college's ongoing efforts to expose its students to influential personalities from various fields, and Sri. Ajith's expertise in patents and designs made him a fitting choice.

Sri. Ajith commenced the lecture by elucidating the significance of intellectual property rights (IPR) and its pivotal role in fostering innovation and creativity in India's economic landscape. He provided a comprehensive overview of the Indian Patent Office's functions and the procedures involved in obtaining patents and design registrations.

Throughout the lecture, Sri. Ajith emphasized the importance of protecting intellectual property, not only for the benefit of individual inventors and creators but also for the nation's progress as a whole. He highlighted several success stories of Indian innovators whose inventions have made significant contributions to various sectors, underscoring the role of patents in facilitating their journey from ideation to commercialization.

Moreover, Sri. Ajith shed light on the recent developments in India's intellectual property ecosystem, including the implementation of expedited examination procedures to reduce patent pendency and enhance the ease of doing business for innovators. He also discussed the significance of leveraging intellectual property assets for economic growth and fostering a culture of innovation and entrepreneurship in the country.

The lecture concluded with an interactive Q&A session, during which students enthusiastically posed questions ranging from the practical aspects of patent filing to the challenges faced by Indian inventors in the global market. Sri. Ajith patiently addressed each query, providing valuable insights and guidance to the aspiring innovators in the audience.

Overall, Sri. M. Ajith's impact lecture at S.C.I.M Govt. College, Tanuku, left a lasting impression on the attendees, inspiring them to delve deeper into the realm of intellectual property rights and harness their creative potential for the betterment of society. The event served as a catalyst for fostering innovation-driven mindsets among the students and reaffirmed the college's commitment to providing holistic education encompassing both theoretical knowledge and practical insights from industry experts.

Workshop Report

Workshop Title: One Day Workshop on "Entrepreneurship and Innovation as a Career Opportunity"

Date: 28.10.2023

Venue: Seminar Hall, SCIM Govt College, Tanuku, West Godavari(Dt.), Andhra Pradesh

Objective:

The one-day workshop on "Entrepreneurship and Innovation as a Career Opportunity" was conducted by Department of Commerce and Institution Innovation Cell to enlighten participants on the potential career prospects in entrepreneurship and the significance of innovation in today's dynamic business landscape. The primary objective was to provide insights and knowledge essential for fostering an entrepreneurial mindset among the attendees.

Inaugural Session:

The workshop commenced at 10:00 AM with an inaugural session. Mr Phanidhar the In charge Principal of SCIM Govt College, graced the occasion as the chief guest. Dr. B. Venkateswara Rao, an Assistant Professor from the Department of Commerce at Berhampur University in Odisha, was invited as resource person of the workshop. The session began with an inaugural address emphasizing the importance of entrepreneurship in the current economic scenario and the need for innovative thinking in pursuing entrepreneurial ventures. Dr. Rao, as the resource person, brought in expertise and insights into the world of entrepreneurship and innovation, shedding light on the numerous career prospects available in these fields. The workshop was attended by students from all streams (BA,B.Com & B.Sc) of the SCIM Government College. The diversity in attendees offered a comprehensive understanding of the subject matter, catering to the interests of students from various academic disciplines.

Sessions Conducted:

1. Session 1: Introduction to Entrepreneurship

- Dr. B. Venkateswara Rao, Assistant Professor, Department of Commerce, Berhampur University, initiated the workshop with an insightful presentation on the fundamentals of entrepreneurship. This session covered the definition, traits, and various forms of entrepreneurship, along with success stories to inspire the participants.

2. Session 2: Innovation and its Role in Entrepreneurship

- An engaging session focusing on the role of innovation in the entrepreneurial process was conducted by industry experts and seasoned entrepreneurs. They shed light on how innovation drives business success and sustains growth in a competitive market.

3. Session 3: Entrepreneurship as a Career Choice

- This session involved a panel discussion comprising successful entrepreneurs and professionals from diverse sectors. They shared their experiences, challenges faced, and the opportunities available in the entrepreneurial world, inspiring the participants to consider entrepreneurship as a viable career option.

Workshop Activities:

Apart from presentations and panel discussions, the workshop included interactive activities such as group discussions, case studies, and entrepreneurial games. These activities were designed to provide practical insights into the entrepreneurial journey and encouraged active participation among attendees.

Conclusion:

The workshop concluded with a summary by Dr. B. Venkateswara Rao, emphasizing the key takeaways from each session. Participants were encouraged to utilize the knowledge gained and explore entrepreneurial opportunities using innovative approaches.

Closing Ceremony:

The valedictory session included the distribution of certificates to the participants and a vote of thanks expressed by Smt A.Maruthi Devi Choudary, Head Dept.of Commerce, expressing gratitude to the speakers, attendees, and sponsors for their contributions to the success of the workshop.

The one-day workshop on "Entrepreneurship and Innovation as a Career Opportunity" was a commendable initiative, providing a platform for knowledge sharing, networking, and inspiring budding entrepreneurs to explore innovative career paths in the field of entrepreneurship.

REPORT

Title: Impact of Lecture on Indian Knowledge Systems under AICTE Scheme by Prof. Himanshu Prasad Roy at SCIM Government (A) College, Tanuku on 6th April 2024

Introduction: The lecture on Indian Knowledge Systems held on 6th April 2024 at SCIM Government (A) College, Tanuku, by Prof. Himanshu Prasad Roy, under the AICTE (All India Council for Technical Education) scheme, has left a significant impact on the participants. This report aims to analyze the key takeaways, the audience's response, and the long-term effects of this insightful session.

Key Takeaways:

- a. Prof. Himanshu Prasad Roy provided a comprehensive overview of Indian Knowledge Systems, highlighting their historical context, evolution, and relevance in contemporary times.
- b. The lecture emphasized the importance of preserving and promoting Indian Knowledge Systems, which are deeply rooted in our culture and have immense potential for global contributions.
- c. Prof. Roy discussed various aspects of Indian Knowledge Systems, including philosophy, science, mathematics, astronomy, and medicine, and their interconnectedness.
- d. The lecture also touched upon the need for integrating Indian Knowledge Systems with modern education to create a holistic learning experience for students.

Audience Response:

- a. The lecture attracted a diverse audience, including students, faculty members, and professionals from various fields.
- b. The attendees were engaged throughout the session, with active participation in Q&A sessions and group discussions.
- c. The audience appreciated the practical examples and real-life applications of Indian Knowledge Systems shared by Prof. Roy, which made the lecture more relatable and thought-provoking.
- d. Many participants expressed their interest in exploring Indian Knowledge Systems further and incorporating them into their respective fields.

Long-term Effects:

- a. The lecture has sparked a renewed interest in Indian Knowledge Systems among the participants, leading to increased curiosity and research in this domain.

b. The session has inspired students and faculty members to incorporate elements of Indian Knowledge Systems into their curriculum and research projects.

c. The lecture has fostered a sense of national pride and recognition of the valuable contributions of Indian Knowledge Systems to the global community.

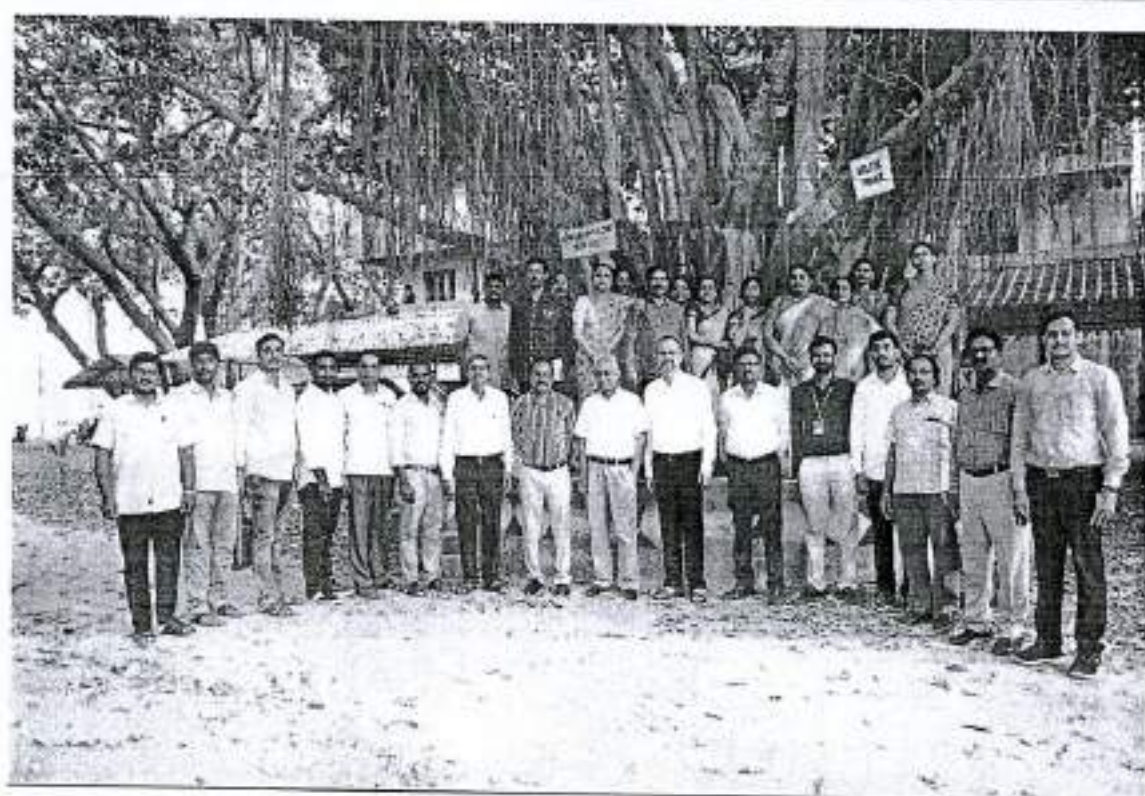

d. The event has also created a platform for collaboration and networking among participants, encouraging interdisciplinary research and knowledge sharing.

Conclusion: The lecture on Indian Knowledge Systems by Prof. Himanshu Prasad Roy at SCIM Government (A) College, Tanuku, under the AICTE scheme on 6th April 2024, has had a profound impact on the participants. The event has not only increased awareness about Indian Knowledge Systems but has also inspired individuals to contribute to their preservation and promotion. The long-term effects of this lecture will likely contribute to a more holistic and inclusive approach to education and research in India.

Prepare project work related tasks and work on projects to gain live experience.

NOW THEREFORE, IN CONSIDERATION OF THE MUTUAL PROMISES SET FORTH IN THIS MoU, THE PARTIES HERETO AGREE AS FOLLOWS:

Clause 1 : CO-OPERATION

Both Parties are united by common interests and objectives, and they shall establish channels of communication and co-operation that will promote and advance their respective operations within the Institution and its related wings. The Parties shall keep each other informed of potential opportunities and shall share all information that may be relevant to secure additional opportunities for one another.

First Party and Second Party co-operation will facilitate effective utilization of the intellectual capabilities of the faculty of First Party providing significant inputs to them in developing suitable teaching / training systems, keeping in mind the needs of the industry, the Second Party.

The general terms of co-operation shall be governed by this MoU. The Parties shall cooperate with each other and shall, as promptly as is reasonably practical, enter into all relevant agreements, deeds and documents (the 'Definitive Documents') as may be required to give effect to the actions contemplated in terms of this MoU.

The term of Definitive Documents shall be mutually decided between the Parties. Along with the Definitive Documents, this MOU shall represent the entire understanding as to the subject matter hereof and shall supersede any prior understanding between the Parties on the subject matter hereof.

CLAUSE 2 : Scope of the MoU

Curriculum Design: Second Party will give valuable inputs to the First Party in teaching/ training methodology and suitably customize the curriculum so that the students fit into the Internship/ Industrial scenario meaningfully.

Industrial/Internship Training & Visits: Industry and Institution interaction will give an insight into the latest developments / requirements of the industries; the Second Party shall provide training and project work in online basis.

The industrial/internship training and exposure provided to students and faculty through this association will build confidence and prepare the students to have a smooth transition from academic to working career. The Second Party will provide its software's / Workshops / Industrial Sites for the hands-on training of the learners enrolled with the First Party.

Skill Development Programs: Second Party to train the students of First Party on the emerging technologies in order to bridge the skill gap and make them industry ready.

Guest Lectures: Second Party to extend the necessary support to deliver guest lectures to the students of the First Party on the technology trends and in house requirements.

Both Parties to obtain all internal approvals, consents, permissions, and licenses of whatsoever nature required for offering the Programs on the terms specified herein.

Clause 3 : INTELLECTUAL PROPERTY

Nothing contained in this MoU shall, by express grant, implication, Estoppel or otherwise, create in either Party any right, title, interest, or license in or to the Intellectual property (including but not limited to know-how, inventions, patents, copy rights and designs) of the other Party.

Clause 4: VALIDITY

This Agreement will be valid until it is expressly terminated by either Party on mutually agreed terms, during which period Franqlin Group., the Second Party, as the case may be, will take effective steps for implementation of this MoU.

Any act on the part of Training Partner or Franqlin Group, the Second Party after termination of this Agreement by way of communication, correspondence etc., shall not be construed as an extension of this MoU

Both Parties may terminate this MoU upon 30 calendar days' notice in writing. In the event of Termination, both parties have to discharge their obligations

Clause 5 : RELATIONSHIP BETWEEN THE PARTIES

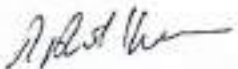

It is expressly agreed that First Party and Second Party are acting under this MoU as independent contractors, and the relationship established under this MoU shall not be construed as a partnership. Neither Party is authorized to use the other Party's name in any way, to make any representations or create any obligation or liability, expressed or implied, on behalf of the other Party, without the prior written consent of the other Party. Neither Party shall have, nor represent itself as having, any authority under the terms of this MoU to make agreements of any kind in the name of or binding upon the other Party, to pledge the other Party's credit, or to extend credit on behalf of the other Party.
